# Lithira Amarasinghe

## About me

As a software engineering undergraduate student in Informatics Institute of Technology which is affiliated with the University of Westminster in UK, I would like to contribute to the development of the tech industry. I had completed a diploma course in IJSE in Sri Lanka. I have more than two years of experience in the IT field. I'm mainly focus on Spring, .NET, Angular and Java. As a President's Scout, I am eager to work as part of a team and contribute to projects to ensure their success
